五言古詩

15

This is a high-contrast, black-and-white image of a textured surface, likely a book cover or endpaper. The image is characterized by a dense, irregular pattern of dark, rounded shapes (possibly rivets or a woven texture) on the right side, and a lighter, more linear, and fibrous texture on the left side. A prominent vertical crease or fold line runs down the center, separating the two distinct textures. The overall appearance is grainy and aged, with some dark, irregular shapes along the left edge that might be part of a binding or spine.
